School Photo Day

Thursday 21st June

Ka mihi nui āhau ki a koutou katoa. Nau mai ki ō mātau tau; te tau o AROHA.

Last week the nation celebrated 'Samoan Language Week'. At our school we have a mantra that we know and foster. It is 'We celebrate all languages except three; the language of whinge, the language of grunt and the language of negativity.

We encourage all students to learn as many greetings from other nations as they can. We are very fortunate to have students whose first language is not English. Across the school we have a richness of Māori, Samoan, Thai and Khmer mother tongues.

We encourage students to celebrate this privilege and where ever they can, to share their knowledge with their classmates. In doing so, our hope is that our tamariki well not view difference as a barrier but an opportunity to learn from others.

The proverb 'Alofa atu nei; Alofa mai taeao' reiterates 'Aroha mai; Aroha atu'. Or as James Taylor sang in the 70s 'You just call out my name, and you know wherever I am, I'll come running... Winter, spring, summer or fall, all you have to do is call, and I'll be there..."

When people are connected and committed to each other they don't call. There is simply an expectation that they will be there. In return they will be there, without fail, when you need them enacting aroha;alofa in a tangible and practical way.

Aroha-tino-nui,

Michelle Cameron
Principal

Sleep disturbed

by Juztice Mahauariki

My mum stomps in my room and she swipes the warmth off me. She says, "You are going to be late for school!"

Mum turns on the light, "Ahhh!!!" I screamed. "My eyes burn, my eyes hurt!" I shouted at mum.
