Ka mihi nui āhau ki a koutou  
katoa,

I have shared many times before different strategies to support us in building confident young people. Young people who know who they are and what they stand for. Young people who know they belong.

The key ingredient sounds simple but needs a lot of care to grow and thrive; **LOVE**.

The everyday actions we make and words we speak weave the fabric of **LOVE** around us and others.

**LOVE** is patient. **LOVE** is kind. **LOVE** is never jealous. **LOVE** is never boastful. **LOVE** is never proud or rude. **LOVE** isn't selfish or quick tempered. **LOVE** keeps no record of wrongs that others do. **LOVE** rejoices in the truth but not in evil. **LOVE** always believes the best in others. **LOVE** always hopes. **LOVE** always preserves. **LOVE** is loyal. **LOVE** grows our brains. **LOVE** is a choice.

When we choose to **LOVE** others, we become more concerned for their wellbeing than our own. The more we choose to **LOVE**, the more our capacity to **LOVE** grows.

I have no doubt that we all agree **LOVE** needs to thrive in every aspect of our lives. But how?

Start with something as small as having an attitude of thanksgiving... being thankful for the promise of good as each new day dawns.

# HAPPENINGS

## RESPONDING TO EMERGENCIES

The whole school participated in the St John's Responding to Emergencies programme being delivered through out the Rangitikei and Manawatu area.

The key learning covered;

- How to access risks
- Evaluating what help is needed
- Calling 111
- Using basic first aid for bleeding or broken bones
- Placing injured into the recovery position
- Applying CPR

The learning sessions were interactive and informative.

## YOUNG WRITER SHARES

'Places I go'

By Shakhalia Teika-Tau

When I visited the Queen's Palace in England, I saw artefacts but I wasn't allowed to touch them because they are breakable. I saw an icebird artefact. It was very delicate. It was transparent.

The Queen let me sit on her throne and have a sleepover. I stayed for twelve days.

## CONCERN

### BEFORE SCHOOL PICK UP and DROP OFF

**BEWARE, BEWARE, BEWARE,**

Whānau it is our responsibility to ensure all tamariki are safe entering and exiting the school.

It is not okay for drivers to park in front of the school gate or inside the yellow lines at the front of the school to pick up their child. We have had too many near misses!

Please park down the street and walk in to collect your child.

If you are parked across the road ensure your child uses the pedestrian crossing, avoid calling them across to where you are parked.

Thank you in advance for your cooperation and understanding that your child is 1 of many within our James Cook School whānau.

## Kai Donation from John and Angela Turkington

We have received a very kind kai donation of bags of carrots and potatoes from the Turkington whānau.

There is a bag for each of our school whānau. The kai bags are too heavy for us to distribute home with the eldest child from each whānau. It would be appreciated if an adult could come to school and collect your whānau bag. Simply report to the office.

Enjoy!

## TEACHERS PAID UNION MEETING

Our teachers will be attending a Paid Union meeting on Thursday 28th June held at Marton Junction School starting 2pm.

They will be leaving our school shortly after 1.15pm. All students will be supervised at school. If you would like to collect your child earlier than 2.45pm on Thursday please come to the hall to do so.

Thank you in advance for your cooperation and understanding.

## BOARD OF TRUSTEES

Tena Koutou Katoa. Talofa. Hello to our parent and whānau community of James Cook School.

### School News

It is with great pleasure to share, that the Board is in the final process of finalising our new online format for our school policies.

Our school policies will be available to our school community through School Docs.

Here, whānau will be able to access all our school policies online, therefore being well informed and allowing ease of access to policies at all times.

Once this process is finalised the school will issue families with a log in and password to allow access into our James Cook School Docs site for policies.

### Library Update

You may have heard from your tamariki that the school will have a library soon!

We will have a lovely self-contained building arriving soon- once site preparations and final building documentation approval are completed.

The library will be situated at the end of the court area behind Rooms 3-6.

Have a great weekend.

Ngā Mihi

Your Board of Trustees,

Jessamy, Nevin, Ramari, Shane, Jonathon, Lisa, Jannelle, Michelle and Stacey.
