August.

We will keep you posted!

He mihi mahana ki a koutou katoa—I extend a very warm greeting to you all!

A huge thank you to all the parents, caregivers and whanau who made our learning conferences this week. I am astounded by the commitment that many of you have shown to attend these vital points of connection with your child/ren's learning. A very special thanks to those parents who live away from Marton and made the effort to attend their child/ren's interviews here. What amazing support, dedication and commitment you have shown!

Thanks for all the feedback about booking the conferences online this year. Our office staff have been overwhelmed with how much easier the process of booking interviews has been using the system. There were still a few teething issues that will be ironed out for next time but on the whole it seems to have been a very positive experience! I want to thank the community for their understanding with this change.

Moving forward, the children have been preparing for the school's upcoming cross-country on Tuesday the 27th August. I have been especially impressed with a small group of senior students who have made a commitment to arriving at school at 7:45am some mornings to train with Mr Bell. Seeing them running around Marton and making an effort to improve and work on their health and physical well-being is impressive!

Habitual Lateness

Mrs Rooke and Mrs Stewart have noticed that there are a number of children who are arriving late to school on a regular basis. Please, please, please make the effort to ensure your children arrive to school on time every day!

Having children arrive late habitually impacts upon their classes and their own learning and actually impacts upon the amount of time that our office staff have to do their core work.

We understand when children are late to school now and then but it is the habitual lateness to school that we are wanting to tackle.

Your help in this matter would be most appreciated!

WELCOME:

Welcome to new student Kaedin Atkins who has started with us at James Cook in Room 6! We hope your learning journey takes flight here!!
